

Morten **Amundsen**

Senior Advisor

m.amundsen@pm.me | mortenamundsen.me | netr0m | mortenkamundsen

Summary

Currently working as a Senior Advisor at Brilliant. I have experience with Security Operations, software development, DevSecOps, scripting/automation, and computer security, and an interest in infrastructure (as code). I'm curious, and I love to learn and solve challenges.

For my Master's thesis, I developed a system to automate the process of handling user incident reports based on Machine Learning and Natural Language Processing.
